Day Selected For

Young Men Award

21 Nov 1985

The Board of Advisors for the Outstanding Young Men of America awards program announced today that Carl Day formerly of Heber has been selected for inclusion in the 1985 edition of Outstanding Young Men of America.

Mr. Day was selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having dis-

tinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their service to community, professional leadership, academic achievement, business advancement, cultural accomplishments, and civic and political participation.

Carl, along with fellow Outstanding Young Men throughout North American will be featured in this prestigious annual awards publication.

The Board of Advisors and Editors salute all chosen as Outstanding Young Men of America. We take great pride in bringing their accomplishments to the attention of the American public.
